Help Family Medicine Stay Healthy in Hawai'i

Please join the Hawai'i Academy of Family Physicians Foundation for our annual fundraising event to support the many important initiatives of the HAFP Foundation. Visit the [Foundation website](#) for more information on our mission and programs.

Enjoy an evening of dining and dancing, and bid on one-of-a-kind exclusive items donated by our friends and local businesses.

Bring a friend, purchase a table, sponsor the event, and/or donate an item for the auction! This event is being held in conjunction with the HAFP Annual Update. Attend both events and get added savings on your event ticket!
