

HAWAII ACADEMY OF FAMILY PHYSICIANS

Aloha Hawai'i Healthcare Partner,

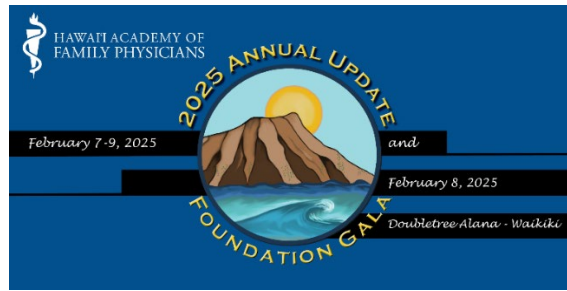

We are excited to announce that the **Hawai'i Academy of Family Physicians 2025 Annual Update** will be held in Waikiki on **February 7-9, 2025!** The HAFP Annual Update is Hawai'i's primary medical education event that brings together family physicians, residents, medical students, and allied health professionals from across the state to enhance care for residents of Hawai'i. The 2025 event will include CME sessions in key primary care disease areas, hands-on workshops to enhance clinical skills, HAFP's annual business meeting, and our Foundation's annual fundraising gala. Don't miss this opportunity to share your knowledge and skills with Hawaii's primary care physicians!

Sponsorship and exhibiting opportunities are being offered to several organizations and are described in this document. Our exhibitor space at the Hilton Doubletree Alana in Waikiki is compliant with CME requirements and is located outside of the education space.

Space is limited and registration is on a first-come, first-serve basis, so secure your spot today. We hope to see you in February!

Mahalo nui loa,

Leimomi Kanagusuku, MD
HAFP President
